## **Part B**

**1. Activities reflecting the goals and objectives of the institution.**

The college from the time of inception had very clear goals and objectives. This are followed in all respect during the year 2012-2013. The student trainees were taught to be honest from their deeds to sends strong signals to the society through the new generation to which they will cater during their future career. To stimulate students in academic, guest lectures of great personalities were arranged. To improve personality of the students, competition like inter-school competition, elocution, essay writing etc. was arranged all through out the year. To imbibe information technology among the students Literacy programmes, blood donation camp, personality development programmes, etc were arranged for creating social values among the students. As a part of creating oneness among the students, tour was arranged. The college celebrates the Independence and Republic day with fervor and enthusiasm. Giving equal opportunity to all the stack holders, parent meeting was arranged. Physical fitness was given equal importance by providing all sport equipments. Sports day and different sports competitions were conducted. From time to time feedback is received from the stack holders for the betterment of the institution.

**2. New academic programmes initiated (UG and PG).**

No new academic programmes were started in present year. But we are planning to start different programmes on computer awareness from forth coming year.

**3. Innovations in curricular design and transaction.**

As a part of innovation in curricular augmentation at the college level, entrance test was conducted for the B. Ed. students at the start of the year. Throughout the academic year, unit test were conducted. Seminar and project work was made compulsory for the students. To improve and enhance the creativity of writing skills in the students, two handwritten magazines "Saurabh" and "Narishakti" were prepared by the trainees of the college. Memorial lecturer series were arranged in the college. Different subject experts from different institutions were invited for guest lectures. The college arranges inter faculty exchange programmes regularly. As

a part of it Dr. Milan Shah was invited from R. P. Anand College of Education, Borsad for explanation of Micro-teaching skills.

#### **4. Inter-disciplinary programmes started.**

The college is affiliated to the Gujarat University, so the courses already being offered are as per university curricula.
