- Different social programmes were arranged for bringing awareness in the society.
- Programmes on health and alertness against dreaded disease were arranged for the benefit of the students.

Part B

1. Activities reflecting the goals and objectives of the institution.

The college from the time of inception had very clear goals and objectives. This are followed in all respect during the year 2010-2011. The student trainees were taught to be honest from their deeds to sends strong signals to the society through the new generation to which they will cater during their future career. To stimulate students in academic, guest lectures of great personalities were arranged. To improve personality of the students, competition like inter-school competition, elocution, essay writing etc. was arranged all through out the year. To imbibe information technology among the students Literacy programmes, blood donation camp, personality development programmes, etc were arranged for creating social values among the students. As a part of creating oneness among the students, tour was arranged. The college celebrates the Independence and Republic day with fervor and enthusiasm. Every year the college also encourages tree plantation in the college campus and surrounding the college. The programmes are arranged with collaboration with the forest department of the government of Gujarat. Giving equal opportunity to all the stack holders, parent meeting was arranged. Physical fitness was given equal importance by providing all sport equipments. Sports day and different sports competitions were conducted. From time to time feedback is received from the stack holders for the betterment of the institution.

2. New academic programmes initiated (UG and PG).

No new academic programmes were started in present year. But we are planning to start an M.Ed course in future.

3. Innovations in curricular design and transaction.

As a part of innovation in curricular augmentation at the college level, entrance test was conducted for the B. Ed. students at the start of the year. Throughout the academic year, unit test was conducted. Seminar and project work was made compulsory for the students. To improve and enhance the creativity of writing skills in the students, two handwritten magazines "Saurabh" and "Narishakti" were prepared by the trainees of the college. Memorial lecturer series were arranged in the college. Different subject experts from different institutions were invited for guest lectures. The college arranges inter faculty exchange programmes regularly. As a part of it Dr. Uday H. Vyas was invited to

deliver a guest lecture for Computer Education. Dr. K.B. Anjariya was also invited to deliver a lecture on Bio-diversity.

4. Inter-disciplinary programmes started.

The college is affiliated to the Gujarat University, so the courses already being offered are as per university curricula.

5. Examination reforms implemented.

This year at the start of the academic session, entrance test was conducted for the students. Unit tests were conducted throughout the year for the benefit of the students. Question bank was developed for the welfare of the students. Students were shown the answer sheets of the first and preliminary tests, so that they can know their own mistakes and improve those and tried to get good score. Bright and poor students were sorted out and treated accordingly in separate groups. Content-based assignments were given.

6. Candidates qualified: NET/SLET/GATE etc such data.

The B.Ed. is only one year course, so there is no scope of NET/SLET/GATE examination in this professional course. No is available of the students for the year 2010-2011.

7. Initiative towards faculty development programme.

Faculties were encouraged to participate in various programmes. They were provided with financial support from "Enhancement of Initiative for Competence Building" grant received from XIth UGC Plan to participate in different programmes. Many seminars and workshops were arranged on contemporary topics for enhancement of the faculty. Guest lectures of the experts were arranged for the benefit of the faculty and the students.
